

Directions to the Trinity Homes office:

If you are headed east on Route 40 you will take a right at the light onto Rogers Ave. There should be a cvs & a pnc bank on the corners. Go about a 1/4 mile past the Howard County Court houses stay straight when Rogers makes the hard right towards Historic Main street. The road now becomes Courthouse Drive. Go about a 1/4 mile through the woods and the turn will be on your right. It will be a large parking lot, the first of two. We are the only building there, look for yellow siding and we are on the 3rd floor. The address is 3675 Park Avenue Ellicott City but all GPS related devices never fail to get people lost by taking them to the backside of the building.
